On 27 May 2020, the consortium of network partners, led by YEPP EUROPE, held the General Assembly of the Erasmus+ programme KA3 – Support for Policy Reform Civil Society Cooperation in the field of Youth. This meeting was planned to be a face-to-face meeting in Berlin, but was formatted into an online General Assembly due to the current COVID-19 pandemic. Partners from 12 countries (Germany, Slovakia, Serbia, Romania, Greece, Croatia, Austria, France, the Netherlands, Finland, Italy and Ireland) met to kick off this project and to discuss its objectives, as well as the implementation of the 2020 work programme of 40 local and international activities which are at the centre of the project. This work programme will contribute to the promotion and dissemination of the EU Youth Strategy and the European Youth Goals. Indicators, as well as strategies for the implementation of the work programme were discussed. The members also planned further Statutory Meetings, such as the meetings of the Working Group on Youth Policy Development, Cross-sectorial Partnerships, Youth Steering Group and the Growth & Sustainability Task Force.
